

BEWARE THE HOSPITAL TRUST'S HARD SELL!

In their latest 'Your Care, Your Views' sales pitch and survey,
the Trust wants you to think that
all three hospitals are going to get a great makeover!!

THEY AREN'T!

The planned funding split is roughly **92% for Watford** General
and **JUST 8% to be divided between St Albans and Hemel** hospitals.

PLANNED INVESTMENT IN
WEST HERTS HOSPITALS

THIS IS NOT EVEN MENTIONED IN THE DOCUMENTS!!!

If that's the plan, ***we want the 92% to go to a brand new 'state of the art A&E hospital,*** on a clear, central site in west Hertfordshire.

**THAT WOULD BE FAR BETTER FOR EVERYBODY, FINISHED SOONER
AND BETTER VALUE FOR THE TAXPAYER**

After all, it's part of the national 'New Hospital Programme'.

Tell the Trust what you think:
